Mr. Andres Ortiz

Validation and Engineering group

Dear Mr. Ortiz;

Thank you for the opportunity to apply for the role of technical electronic specialist at your company. I have read thought over the requirements for this application and I am positive that I have the needed and adequate abilities and skills to perform this job efficiently and even surpass expectations set by your company.

I am a student at the University of Puerto Rico in Humacao (UPRH) studying physics and nanotechnology, while proudly working on the United States Army Reserves as a cargo specialist. While working on academic activities and balancing my workplace responsibilities, I have improved and developed multiple skills including: Leadership, teamwork, multitasking and overall work management. Which I hope will help me in completing further requirements of this job.

After reviewing my resume, I shall be waiting for your decision and response, hopefulllyy agreeing that I am the right person for the job. I look forward to discussing on how my skills and abilities will help and benefit your company in the near future. Please contact me at (787) 590-7226 or via email at jose.roman31@upr.edu to arrange for a meeting times suitable for you.

Thank you for your time,I look forward to hearing from you soon.

Sincerely,

Jose M. Roman Delgado
